September 6, 2007

Dear Artists,

We're delighted to announce that **Pat Dews, AWS, NWS**, will present our annual Guest Artist Residency on October 25-28.

Pat is one of the most extraordinary artists and teachers in America today. She is a cutting-edge watermedia artist and a dynamic, energy-filled, exuberant teacher whose workshops are overflowing with new ideas. While teaching side-by-side with Pat, I've seen how enriching and exciting her workshops are for everyone who takes them. We're thrilled Pat is coming, and hope you'll join us for this special weekend.

Pat's schedule is:

*Thursday, Oct. 25*

**Free lecture-demos in McArdle Theatre**  
2:00-4:00 and 7:00-9:00

*Friday-Sunday, Oct. 26-28*

**3-day workshop for artists, 9:30 am-4:00 pm**

Examples of Pat's work can be seen on her website, [www.patdews.com](http://www.patdews.com). She's the author of two books, *Creative Composition & Design* and *Creative Discoveries in Watermedia*. As a preview, we'll have an informal showing of Pat's video on Thursday, Oct. 11, at 7:00 pm in Walker 210 (with refreshments) for anyone who'd like to see it—please come!

The 3-day workshop will be limited to the first 20 paid registrants, so we encourage you to register early. The application form is attached, and can also be printed from our website, [www.fa.mtu.edu](http://www.fa.mtu.edu). Please contact Stefanie Block in our office (906/487-2067, [seblock@mtu.edu](mailto:seblock@mtu.edu)) if you'd like more information.

I hope you'll be able to join us for these special events! Please share this information with anyone you think might be interested in attending. I know you'll want to meet this gifted artist.

Sincerely,

Mary Ann Beckwith  
Professor
