

# Workshops

For your conference or students

Workshops on the directorial process are available for conference presentation or as part of a residency

Each of the workshops below teaches the use of organizational tactics, learning theory, interpersonal & small group communication, and leadership skills for developing creative performance ensembles for the Director.

***Authoring the Director's Concept***

***Holding Productive Design Meetings***

***Organizing the Production to Run Itself***

***Interactive Audition Techniques***

***Conducting the Table Rehearsal***

***Relationship Blocking***

***Working Rehearsal Techniques***

***Polishing and Technical Rehearsals – Performance Evaluation***
